

Probate Opportunity File (POF) Specification (v2.0)

Status: Approved

Category: Evidence Standards

Probate Opportunity File (POF) Specification (v2.0)

Classification: Core Commercial Deliverable | Version: 2.0 | Status: Production Approved

The contract between engineering and customer delivery. The POF is the definitive pre-underwritten decision dossier that answers: What property exists? Who owns it? Who controls the decision? Who can legally sign? What is the equity? What are the fatal risks? What evidence proves it? And what exact action should the acquisitions team take?

The Eight Canonical Product Profiles

- **1. Property Profile:** Assessor APN, CASS standard address, legal description, physical specs (sqft, bed/bath, lot, year built), valuation spread (Assessed, AVM, CMA), and PAS match score (≥ 70).
- **2. Ownership Profile:** Title vesting (Sole Fee Simple, JTWROS, Trust, TIC), deceased titleholder, senior & junior mortgage notes, tax delinquencies, net equity waterfall (\$ and %), and target wholesale MAO.
- **3. Control Profile:** Control archetype (Unified, Informal Leader, Proxy, Trust Fiduciary, Contested), decision-maker dossier, residency location, physical occupancy, and core seller motivations.
- **4. Authority Profile:** Four-tier statutory authority under RCW Title 11, Letters status, Nonintervention vs. Dependent court powers, and attorney quarantine safeguarding legal counsel.
- **5. Opportunity Profile:** 0-100 composite viability ranking, Priority Tier (Priority A < 4hr SLA, Priority B weekly, Priority C nurturing), Deal Friction Score (DFS), and projected timeline to close.
- **6. Risk Profile:** Foreclosure/NOD risk, tax auction cliff, title cloud and broken chain analysis, contested family caveats, tenant eviction exposure, and MERP Medicaid claim risk.
- **7. Evidence Package:** Cryptographic chain of custody with SHA-256 hashes linking petition PDFs, wills, letters, recorded warranty deeds, and the 6-gate QC certification seal.
- **8. Recommended Action & Empathy Directives:** Optimal transaction strategy (wholesale cash, novation, creative), verified HLR/DNC mobile vector, first-touch channel, empathy conversational script, objection handling playbook, and closing escrow roadmap.
